Miles for Hope

September 1, 2020 - September 30, 2020

Welcome to *Miles for Hope*, a reimagined version of The Ride for Missing Children (RFMC). This year, instead of hosting five individual rides throughout New York and one in Texas, we will host a single event spanning the month of September and participation will be open across the United States.

Not a cyclist? Not a problem! At its core, The Ride for Missing Children is not about a bike ride. It is about raising awareness and spreading a message of prevention and of hope. The bicycles are simply a vehicle to help carry the message along. The slogan "Miles for Hope" represents the fact that there are **multiple** ways to participate this year. Ride, Run, Walk – the choice is yours! Although we will be providing sample 50-100 mile routes, we encourage participants to be creative and do what works for them. No matter how you choose to participate you will be helping to raise awareness about the plight of missing and exploited children and raising critical funds to support NCMEC.

This September we will harness our collective energy and join together as ONE Team with ONE Mission – *To Make Our Children Safer...One Child at a Time.*
